Department for Education [Student use of mobile phones and personal devices policy](#)

This school policy is implemented in line with the Department for Education's [Student use of mobile phones and personal devices policy](#), which applies to all government schools. This document provides direction to students, staff, and families about managing personal devices that students choose to bring to school.

For the purposes of this policy, personal devices include mobile phones, smart watches and other digital devices that are capable of sending or receiving messages or calls and/or able to connect to the internet, and personal laptops or iPads that are not owned by the school and have not been brought to school by the student under a separate Bring Your Own Device (BYOD) agreement.

With the widespread and increasing ownership of mobile ^{that} phones and other devices among students it is critical that schools, in partnership with families, provide clear guidance for students to become informed, safe, respectful, and responsible digital citizens.

It is the Department for Education's position that access to personal devices during school hours must be managed so that students can be fully present. E U

The Department for Education's policy requires all students at all department schools to

Students will not be able to access their personal devices at any time during school hours, unless they have received an approved exemption from the school

Remove their phone and/or personal

Students may be permitted to bring personal devices on a camp or excursion for learning purposes and/or to facilitate contact with their families at specified and supervised times. Expectations regarding student use of devices on the camp or excursion will be detailed in parent consent information.

Make sure:

- The school's policy has been endorsed or ratified by governing council and is clearly communicated and accessible to all students, staff, and families
- there is a process for regular review of the school's local policy
- secure storage is provided for student personal devices and individual lockers/locks that the school provides for students to store their belongings are appropriately secure
- processes are in place for monitoring internet and school network use by all members of the school community.

Enforce the policy and responses to instances of non-compliance.

Consider requests for exemptions from the policy from parents or independent students due to exceptional circumstances on a case-by-case basis. Make sure that approved exemptions in this category are documented and that relevant staff, including temporary relief teachers, are informed about students with an exemption.

Model appropriate use of mobile phones and support school staff to do the same. Support families to understand the importance of promoting safe, responsible, and respectful use of mobile phones to their children.

Report and respond to incidents of inappropriate or illegal use of personal devices in line with department policy and procedures and any legal requirements.

Deliver learning opportunities and maintain a safe and productive learning environment. Take steps to minimise distractions from the non-educational use of personal devices in the learning environment.

Respond to instances of non-compliance in line with the school's policy.

Report and respond to incidents of inappropriate use of personal devices in line with department policy and procedures and any legal requirements.

Ensure students who are given permission to access their personal device use it appropriately and only for the specified purpose, and the exem}

Comply with the requirements of this policy and follow all reasonable directions from the principal and school staff.

Switch all personal devices off, or into flight mode, on arrival at school each day and store it away as specified in this policy.

If permitted to use a mobile phone or personal device in line with an exemption under this policy, do so in a safe, responsible, and respectful way and support peers to do the same.

Communicate respectfully with others and do not use a mobile phone or other personal device to bully, harass, or threaten another person.

Respect others' rights to privacy and do not take photos, film, or audio records of other people without their knowledge or permission.

Notify a school staff member as soon as possible if feeling unwell or experiencing any other issues at school. Use the school's sign-out processes in all cases where requiring early collection from school.

Support the school's implementation of this policy, including the consequences for non-compliance.

Encourage their child not to bring a personal device to school unless necessary. Understand that the department does not provide insurance for accidental loss or damage to personal property that is brought onto school grounds (however, claims may be met under the department's public liability insurance where the loss or damage can be attributed to a negligent act or omission on the part of the school – the school will contact the department for advice if this may be the case).

Use the school's formal communication channels in all instances to communicate with the school or to make contact with their child during school hours (including where a student requires early collection from school). Encourage their child to always report to a school staff member in the first instance if they become unwell or
