Overview

At Hallett Cove School we value education and provide quality learning for students to become resourceful, adaptable, innovative and flexible. This helps students to be successful in their future.

The HCS Uniform Policy has been developed and approved by the school community through the Governing Council. The school expects cooperation of all students and staff in the implementation of the policy.

Details

In keeping with the HCS Values, the school uniform should be worn with pride by:

- promoting a positive image of the school
- creating a sense of identity among students and the community
- supporting student safety through ease of identification
- making sure students are dressed appropriately for all school activities

The school recognises diversity and respects the cultural beliefs of its members. At times, special allowances can be made in relation to school uniforms to support the beliefs of students and their families. Allowances may also be made for financial hardship and for genuine medical reasons.

In instances where the uniform does not meet individual requirements, parents/carers are asked to discuss the matter with their Home Group teacher. The Home Group teacher will then refer, along with relevant information to the appropriate Year Level Leader for consideration.
